

Our Gift to you.....

As a thank you for enrolling by January 15th, 2018, we have a gift for your child! Choose from a custom paddle or dry bag to use on your NWL adventure, and for many years to come!

Once again we have teamed up with Canadian craftsman John Sallows of Lolk Paddles to create the perfect paddle -- a traditional white ash beavertail, light and strong with a nice whip at the end of the stroke. These paddles are only available to Langskib and Northwaters participants through this offer.

If you don't have a need for a paddle outside of camp, you might like to try an exclusive NWL dry bag. The 55 Liter, durably-constructed, all-purpose Seal Line Baja dry bag is vinyl-coated, has fully welded seams, and a confident roll-top closure that stands up to heavy use on both water and land. The perfect dry bag for Temagami and beyond! LIMITED SUPPLY!

Please return this form via post or email with your deposit and application for _____ by January 15th (while supplies last).

(participant's name)

Please choose your gift below:

- Paddle (available for camp pick-up only)

Please indicate your child's height _____ inches
