

2018 Northwaters & Langskib Code of Conduct Agreement

These community standards are designed to help ensure that all of our participants can maximize their potential at Northwaters & Langskib (NWL). At NWL we are committed to helping young people grow into the best version of themselves. By reading, understanding, and agreeing to these guidelines, you are making the same commitment to yourself, your peers and your family. NWL staff will do all that we can to ensure the health, safety and success of each participant. Behaviour that goes against this code interferes with our ability to manage the challenges inherent to wilderness travel, and small community living. Behaviour during program that violates this agreement may result in dismissal from NWL at the expense of the participant's family. No refund will be issued.
